

Here is what Healthcare Professionals have to say about the...

Healthcare Roundtable Series

“The event was great.”

-Alejandro Fernandez, MBA, CMPE, Chief Executive Officer, Gastro Health, PL

“Congratulations on an outstanding program this morning! The panelists were excellent and very informative, and the entire event flowed smoothly. I look forward to attending more of your events in the future.”

-Wilma N. Torres, CPC, Principal, Coleman Consulting Group, Inc.

“I wanted to tell you how very impressed I was with the event you organized this morning. You did an outstanding job! The speakers were phenomenal, the discussion stimulating, and everything was very well organized. The event was well worth the time and the drive down.”

-Todd Demel, MBA, Senior Executive of Physician Management Services, MF Healthcare Solutions

“I thought the format and attention to times was really professional. Mike's questions and moderation were superb. The panel bordered on stellar. You guys simply couldn't have done this better and I thoroughly enjoyed it.”

-Richard J. Lucibella, MBA, Director, Primus Health, Network, LLC and CEO at HealthNet LLC

“I did find it interesting and informative.”

-Patricia Handler, Executive Vice President, Dade County Medical Association

“Thank you for the honor of joining in a personally rewarding event. The opportunity to enjoy an academic level engagement is a great opportunity ultimately providing an added value to the community. These are times of a ‘sea change’ in healthcare. The ability to negotiate turbulent waters is made safer by open discussion.”

-Ira Agatstein, MD

“I wanted to let you know how impactful your events have been for me. The one that I attended in Aventura in April, 2013 gave me a lot of insight into what is going on with the ACA and ACOs right now.”

-Prima Romulus, MBA Health Care Candidate, Florida International University
